## Daily Staff Meeting

Wednesday,	16	May	1951
------------	----	-----	------

_	There was discussion of international Communism. Mr. Reber reported that State did not want to do the research on this subject and that was very anxious that steps be taken to have it done. Mr. Reber is to prepare a report on this and a necessary letter to State Department requesting them to undertake the job.		
	Mr. Reber reported on requirements, stating that 0/0 was surveying the JCS and State papers and that he was working on the arrangements for a National Requirements Board. He is to prepare a memorandum for the Director showing the status of progress on this subject.		

Mr. Reber announced that he would participate in the ad hoc meetings of the Psychological Warfare Board.
